

WEBINAR TRAINING SERIES

Social Media Monitoring for Emergencies & Crises

Policies. Program Development. Tools. Roles. Structure. Exercises. Training.

Best practice integration of social media into routine and emergency management and communication.

In 90 minutes you can learn what you need to know to effectively integrate social media into your crisis and emergency management and communication programs. Top experts in this rapidly emerging field guide you through the tools, the techniques, the pitfalls and policies needed to build your program and train your team.

Intended for Incident Commanders, Fire Chiefs, Police Chiefs, Emergency Managers, PIO, Communication Managers and those in leadership positions on response teams. Choose to attend live and engage in lively question and answer sessions, or purchase and view the webinar at your leisure.
